(Enter AKC Junior Handler number on entry form)

Acceptance: Entries will be accepted in the order received; until the judging time limit, entry limit or closing date and time is reached.

Non-Acceptance: Entries will not be accepted by email, telephone, hand delivered, if a delivery signature is requested, or if sent "postage due." Entries will not be accepted if not on an Official AKC Entry Form or without the Agreement and Rules. Entries "for exhibition only" will not be accepted. Entries will not be accepted without entry fees, if unsigned, if incomplete or if any condition as to acceptance is specified.

Waitlist: A waitlist will not be kept for these trials.

Acknowledgment: Entries will be acknowledged as soon as possible upon the secretary receiving the entry. If you do not receive an acknowledgment, please contact the Trial Secretary.

Refund Policy: A refund of entry fee (minus \$10 per entered class of withdrawn dog) may be obtained for injured dogs or for bitches that come in season after the closing date of the show. To request a refund, a veterinarian's certificate must be received by the Trial Secretary at least one half hour before the show opens.

No refunds will be given for:

- Cancellation, substitution or correction of entry after the closing date.
- If a dog is absent, disqualified, excused by the judge.
- If a dog is barred from competition by action of the Show Committee.
- If it is impossible to open or complete the show because of weather, riots, civil disturbances or other acts, beyond the control of WSDTC.

Liability: WSDTC will not be held responsible for damage, injury or loss of property either in the building or on the grounds. Children are the responsibility of their parents and must be under control at all times.

Waiver of Rights for Animals in Distress: The Winston Salem Dog Training Club reserves the right to remove any animal in distress from a parked vehicle or crate and all persons attending this dog show hereby waive any claim for damages against the club for such removal.

Judging: Judges will not wait for any handler holding up a class. Owners and Agents alone are responsible for the presence of their dogs in the ring when their classes are called to be judged. Consult the judging program and check-in at least 15 minutes prior to your class. Handlers should notify the table steward of any judging conflict and must accept the judge's decision, whether or not to revise the judging order.

Transfers (Moveups): These trials will allow transfers in accordance with AKC's obedience rules. Transfers will only be permitted provided the class is available and the maximum number of dogs per day for that judge has not been reached.

The deadline for transfers to be submitted is at least 30 minutes prior to the start of the entire trial for which the transfer is being requested. (*For example, if the trial starts at 9AM, no transfers can be accepted after 8:30AM.*) When possible, exhibitors are encouraged not to wait until the morning of the trial, but instead to submit transfer information earlier as outlined below:

- To make a transfer for the first day you are entered in our trial, email your request to the trial secretary by Monday, February 25, 2019.
- Day-to-day transfers should preferably be submitted in-person to the trial secretary before leaving the event. (*For example, if you finish a title on Saturday and wish to move up for Sunday, submit your transfer before leaving Saturday's trial.*)

Prizes: A qualifying score is required for all ribbons and prizes offered. Prizes will be awarded at the trial, and those prizes that are not claimed will be forfeited. No prizes will be mailed.

Dogs: Unless being judged, dogs are not allowed in the show rings, and must be on leash or crated. Dogs are not allowed in the building overnight. Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. Signs will be posted stating where you may walk your dog. Our neighbors have asked that dogs not eliminate on their grass. Violators of these conditions will be asked to leave the trial.

No unentered dogs are allowed in the crating area or in the building.

Crating: Crating space is very limited for our two-ring trials. Due to space limitations, no unentered dogs are allowed in the crate room or building. No chairs, rolling carts, or X-pens are allowed in the crate room. Please be conservative with your setup so there is space for everyone. Crate identification is encouraged.

Smoking: The WSDTC building and grounds are non-smoking.

Food: Coffee and water will be available for exhibitors, but no food will be provided. Plan to bring your own snacks and lunch. A map of nearby restaurants is posted on the club's website: www.wsdtc.org/events.php

Parking: WSDTC will provide parking at our building, with overflow parking next door. Our lot is compact: no parking for RVs/oversize vehicles. No overnight parking. The owner of the next door overflow parking area has asked that dogs NOT use their yard for elimination.

Running Order: Saturday's running order will be from lowest to highest jump height. On Sunday this will reverse, and classes will run from high to low.
