Parking

WSDTC will provide free parking for as many as possible at our site. Overflow parking will be next door. The traffic pattern around the building is a one-way -- counter clockwise. Because our parking lot is very tight, pull forward to the curb stops when parking at the club so other vehicles can get around yours.

For overflow parking, our neighbors have been gracious enough to offer their parking lot next door, with a restriction that dogs do not use their yard for elimination.

There is no overnight parking at WSDTC, and no camper or RV parking at any time.

Crating

We have VERY limited indoor crating space. Please use stackable crates, if possible. Crates cannot be left overnight unless your dog has shown that day and is entered in an event the following morning. Crate identification is encouraged. No chairs or X-pens are allowed in the crate room.

Only entered dogs are allowed at the event site and in the crating area.

Dog Policy

Only dogs entered in the event are allowed at the site and in the crating area. When not actively working in the event, dogs are not allowed in the rings, and must be on leash or crated. Dogs are not allowed in the building overnight. Exhibitors should follow their veterinarian's recommendation to ensure their dogs are free of internal and external parasites, communicable diseases and are appropriately vaccinated.

Potty Area: Please pick up after your dog. Signs will be posted stating where you may walk your dog. Our neighbors have asked that dogs NOT eliminate on their grass. Violators of these conditions will be asked to leave the event.

Waiver of Rights for Animals in Distress: The Winston Salem Dog Training Club reserves the right to remove any animal in distress from a parked vehicle or crate and all persons attending this dog show hereby waive any claim for damages against the club for such removal.
